

WHAT'S HAPPENING.....COQUITLAM CURLING ASSOCIATION

SEPTEMBER 3, 2016

I would like to assure all of our members that we have a CONFIRMED season with contracts for the upcoming season of 2016-2017.

I called an Emergency Executive & Board (league presidents & treasurers) meeting that was held Thursday, September 1. All leagues were represented except Nifty 50's Ladies league.

It was a very positive meeting and proposals put forward were voted on unanimously.

To help us maintain and hopefully attract new curlers we have been in negotiations with the City of Coquitlam, Curl BC and the Coquitlam Curling Association Executive to obtain the following:

- Mike Merklinger has been hired to assist in putting our ice in for the start of the season. He has recommended an additional flood & burn be added to the City Ice staff schedule and will assist with all of them. October (TBA), November 5&6, December – Christmas break, February 11 & 12.
- There will also be 2 weekly scrapes added to the morning weekly schedule, Monday and Wednesday afternoons.
- Newspaper Ads will be in the Tri City News – September 2, 9 and 14th to advertise We Need Curlers!!!

Please watch your emails for the Minutes and financial reports for this meeting, they will be sent out early next week.
