

WHAT'S HAPPENING.....COQUITLAM CURLING ASSOCIATION

OCTOBER 29, 2016

UPDATE

Our last presentation to Council-In-Committee was Monday, October 17th. I would like to take this opportunity to thank Brian Bastien for all of his research and hard work putting his submission to Council together for presentation. I would like to thank all of our members that were able to attend this meeting brooms in hand, with our signage. I think the message was heard that we are a very serious group about the sport that we all love.

On October 27th I sent another letter on behalf of the Coquitlam Curling Association to remind Mayor& Council that we are not going away. I also invited them to visit on selected dates, to observe our school program in action. I have tallied the bookings thus far for this season and we have increased our school participation by another 18%, so far 2661 students will attend, with bookings still coming in for the second half of our season.

As was stated at the In-Council- Meeting, city staff was directed to compile all the information together to be presented to Council. There has been no date given to me as to when Mayor& Council will vote on this, we were told sometime in the fall.

*****YOU WILL BE INFORMED OF WHEN THIS DECISION WILL BE VOTED ON AT A FUTURE COUNCIL MEETING AS SOON AS I AM DIRECTED. I WILL SEND OUT A NEWSLETTER TO ALL MEMBERS AND IT WILL BE POSTED ON OUR CURLING WEBSITE.**
