TEAMSNAAP

The league uses TeamSnap as a roster, scheduling, and availability tracking system. It also has the ability for league administrator, coaches, players and parents to communicate with each other. All contact information such as email address, phone numbers address, and age can be marked private so it is only visible to league managers. IOS and Android apps are also available as well as a full website to access the program and features. At any time users are able to change, update or delete any information or their account.

More information about TeamSnap can be found at their website www.teamsnap.com including their privacy policy which can be found at <https://www.teamsnap.com/privacy-policy>. As TeamSnap is based in the United States of America, all data will be located outside the Country of Canada.

Please indicate your preference for the use of TeamSnap (choose one):

- YES**, I authorize my child's name, address, home phone number, email (optional), parent's names, and parent's emails to be entered in TeamSnap within the junior league account to be used for curling purposes only and not be forwarded to any third parties without prior permission.
- YES**, I authorize my child's name and a contact (parent) email address only to be entered in TeamSnap within the junior league account to be used for curling purposes only and not be forwarded to any third parties without prior permission.
- NO**, I do not authorize any information to be entered in TeamSnap. I understand that this will be the primary method of communication for the league and it will be my responsibility to keep up to date on information about the league and to notify the coaches and/or coordinators of my child's availability.
